Information Sharing Consent

Ongoing communication among professionals involved in your child's day enhances your child's educational and child care experience. In order to best serve children's needs, there are times when it is appropriate for the School and the Child Care Centre to exchange information about the children participating in both programs. The kind of information shared may include, but is not limited to, matters involving attendance, illness, transportation, or behaviour.

Shared written information will be kept confidential and will be shared only during the time in which the child is enrolled in the Child Care Centre, or upon the request of the parent.

In the event that it is necessary to refer to clinical records or Ontario Student Record (OSR) documents, parents will be asked to sign the appropriate consent form before such information is disclosed.

Your consent will give permission for the exchange of information between the School and the Child Care Centre.
